

You are cordially invited to join the Inside The Cellar Team at the LA River Studios on July 9th, 2016 at 3:00 PM for the most excellent of times. Pairing Is Caring is our quarterly nonprofit fundraiser with proceeds being donated to a rotating charity, this round supports the spcaLA. Inside The Cellar is proud to support the community that supports us and loves spreading our passion for artisan food and beverage. This is not your normal beer festival. With the help of local breweries, cider mills, wineries and Chef Marcus Roberto - we will be offering unlimited pours specially paired with gourmet pizzas. If that's not enough, there will also be a pet play area. Yes, puppies! Who doesn't love puppies? In addition we will be featuring a VIP bottle share with rare beers donated from the personal collections of our team. We would love it if you were able to attend and join in on the fun.

RSVP to: [Cellarmaster@InsideTheCellar.com](mailto:Cellarmaster@InsideTheCellar.com) for your two complimentary VIP Press Passes.

Cheers,

The Inside The Cellar Team
